<sup>1</sup> Previous filings to the Court have listed these same summary judgment motions in other ways. These previous filings, which may also be helpful to the Court's review of the motions, are available at the following Docket Numbers: 4079-2 (filed by Plaintiffs on September 25, 2015) and 4078-1 (filed by defendants on September 25, 2015).

<sup>2</sup> An Adverse Party marked with strikethrough *and* an asterisk is currently not a party to the motion due to settlement, but the Adverse Party may once again become a party to the motion if the Court permits LG's, Thomson's, ,and/or Mitsubishi's joinders. Plaintiffs oppose those joinders and the Court has not yet ruled on them.

<sup>3</sup> The IPPs have reached settlement agreements with all Defendants in their lawsuit. Defendants have provisionally withdrawn all dispositive motions against the IPPs pending final approval of the settlements (ECF Nos. 3801, 3802, 3812, 3851, and 3852). The IPPs are therefore stricken from all pending motions.

<sup>4</sup> Target has reached settlement agreements with all Defendants in their lawsuit. Target is therefore stricken from all pending motions.
